

NHS Foundation Trust To whom it may concern

DATE

Dear Sir / Madam,

Sub-Contract title: Provision of Private Midwives for the Head Provider

Sub-Contract ref:

I write further to our collaborative working agreement and to confirm our indemnity arrangements.

In common with many insurers, our underwriters specifically forbid us from providing an actual copy of our policy or disclosing some of the details for commercial and legal reasons, that said I can confirm the following:

Lead Brokers – Information available on request
Employers Liability - Zurich Insurance
Public Liability - QBE
Clinical Indemnity - Information available on request
Cyber Policy - Beazley

Whilst we have never had a claim (on any of our insurances) our claims management representatives and general counsel are Manleys Solicitors.

As a CQC regulated Healthcare provider of Maternity and Midwifery services, these indemnity arrangements we have in place, are deemed to be adequate and appropriate for our sphere of practice.

I trust that this assists and we look forward to working closely with you.

Yours sincerely

Mr. Eduard Sparkes
Chief Executive Officer
